九、閱讀測驗: 12分(每題3分)

Jeremy seldom studies, and he never gets good grades at school. Mr. and Mrs. Lin know that, but they don't worry about him. To them, their son is a nice boy, and he's good at sports. He can be a great player one day, they believe. Jeremy also loves music. He often plays music with his cousin Jay. Mr. and Mrs. Lin are happy about this. They believe music is good for one's health.

Jeremy is always busy after school. What does he do every evening? Every Monday and Thursday, he practices basketball with his team from 7:00 to 9:00. On Tuesdays, he plays tennis with his friend Benson from 7:30 to 9:00. On Wednesday evenings, he has fun with Jay. And on Fridays, he plays badminton with his sister Susan from 7:30 to 8:30.

On weekends, Jeremy likes going out with his family. He always has great fun with them. Jeremy might not be his teachers' favorite student, but his parents love him a lot for sure.
