Megan has a smartphone just like her friends Laura and Ashley, but she **doesn't use** it like them. For her, video games are a waste of time. She never plays them, but **Laura always does**. Megan doesn't understand that. However, she likes to keep in touch with her friends. She often talks

with them, but that's not true for Laura. Megan and Laura have different ways of using their smartphones, but they still have something in common. They both like to look for things online. Megan and Ashley have good cameras on their phones. Ashley always uses her camera, but Megan seldom does. The same is true for using their phones to listen to music. Everyone uses their phones in different ways, and that's interesting to Megan.
