#### D. Writing a letter (寫信)

Today, our teacher gives us a letter to our parents about the Mother's Day activity.

We sign our names on the letter first.

Then, we *give* it to our mothers **for signing**.

After that, our mothers *write* their signature at the bottom of the letter.

The letter is about a running race for students and their mothers.

We are all excited to join the race on Mother's Day!

今天老師給我們一封關於母親節活動的家長通知單。

我們先在通知單上簽名。

然後把它交給媽媽簽名。

最後，媽媽在通知單的最下方寫上她的簽名。

這封信是關於一場母親節的親子賽跑比賽。

我們都很期待和媽媽一起參加賽跑！
